

What is SMA?

SMA (Spinal Muscular Atrophy) is the number one genetic killer of children under the age of two. SMA is an inherited and often fatal disease that destroys the nerves controlling voluntary muscle movement, which affects crawling, walking, head and neck control, and even swallowing. Two new-born children are affected each day in the United States, approximately 1 in 6,000 live births. One in every 40 people carries the gene that causes SMA, which means there are more than seven million carriers in the United States alone. Currently there is no treatment or cure.

Who is Families of SMA?

Families of SMA is an international nonprofit organization founded in 1984 with the mission to fund a treatment and cure for SMA. FSMA is made up of 31 chapters and more than 85,000 members and supporters, and has funded more than \$53 Million in leading research programs since its inception.

Bentley's Smiles for Miles

Run, Walk-n-Roll for Spinal Muscular Atrophy

Proceeds from Bentley's Smiles for Miles will benefit: Families of Spinal Muscular Atrophy

Bentley's Smiles for Miles

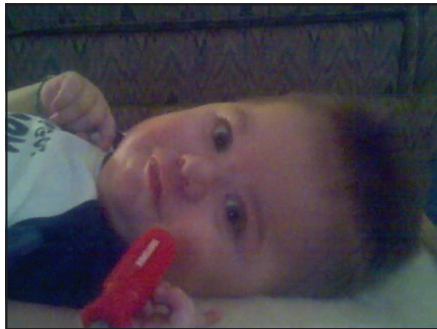

Day-of Activities

Please join us for Bentley's Smiles for Miles SMA Run, Walk-n-Roll! Bentley's Smiles for Miles is a timed 5K run with a shorter walking or rolling track as well.

Bentley passed away at just 18 months old from Spinal Muscular Atrophy. Bentley's Smiles for Miles will be an annual event to raise money and awareness for much-needed SMA research and family support programs.

Fundraise for a Cure

Unable to attend the event on May 10, but still interested in being involved in fighting for a cure? Register online as a fundraiser to create your own personal fundraising page, allowing you to collect donations towards the event!
